MEMBERS QUICK GUIDE

tammy's table

Save your Table as an app on your phone

Your next meeting, the year's dates and topics, and where you meet, all one tap away. It takes less than a minute.

1 **First, open your Table's page on your phone**

Scan the QR code with your phone's camera to see the list of Tables, then tap yours. Or go to **tammy-edwards.com.au/members**

2 **Then follow the steps for your phone**

iPhone using Safari

a. Open your Table's page in **Safari**.

b. Tap the **three dots** next to the address bar, then tap **Share**.

Older iPhones: just tap the Share icon at the bottom of the screen.

c. Scroll down and tap **Add to Home Screen**.

d. Leave **Open as Web App** switched on, then tap **Add**.

Android using Chrome

a. Open your Table's page in **Chrome**.

b. Tap the **three dots** in the top-right corner.

c. Tap **Add to home screen**. On newer phones it may say **Install and create shortcut**.

d. Tap **Add** (or **Create shortcut**), then **Add** again if asked.

Using Samsung Internet? Tap the menu (three lines), then **Add page to** and **Home screen**.

That's it! Look for the orange cup

The icon is named after your Table. Tap it any time to see your next meeting, the year's dates and topics, where you meet and who sits at your Table.
